SUBJECT INDEX

ACCREDITATION MANUAL FOR HOSPITALS
Joint Commission accreditation survey process revisions planned. 86

ACETAMINOPHEN
Therapeutic Use
Inexpensive pills may be arthritis elixir. 130

ACQUIRED IMMUNODEFICIENCY SYNDROME
ABA's AIDS model confidentiality policy. 128
AIDS definition should include women's symptoms. 128
Bacterial toxin destroys HIV-infected cells. 166
Benefits sought for HIV-related disabilities. 129
Opposition mounts against CDC plan for 'exposure-prone' list. 220
Pharmaceutical company grants boost AIDS education in oral healthcare. 6
States react to AIDS 'hysteria.' 166

ADHESIVES
Common misconceptions about oral health in the older adult: nursing practices. Logan, H.L. et al. 243

AGE FACTORS
Age discrimination seen in cancer diagnosis, treatment. 128

AGED
Common misconceptions about oral health in the older adult: nursing practices. Logan, H.L. et al. 243
Dental needs related to primary cause for institutionalization. Gordon, S.R. et al. 49
Effects of a 1% chlorhexidine gel on the cariogenic bacteria in high-risk elders: a pilot study. Clark, D.C. et al. 101
Medications with dental significance: usage in a nursing home population. Baker, K.A. et al. 19
MRSA: an important consideration for geriatric dentistry practitioners. Staat, R.H. et al. 197
Nutrition screening for older adults focus of upcoming consensus conference. 47
Out-of-office dentistry: an alternative delivery system. Krust, K.S. et al. 189
Research review of oral health status and service use among institutionalized older adults in the United States and Canada. Berkey, D.B. et al. 131

AMERICAN ASSOCIATION OF HOSPITAL DENTISTS
AAHD announces selection of Roerig Fellow in Hospital Dental Practice. 126

AMERICAN ASSOCIATION OF RETIRED PERSONS
AARP 1991 legislative agenda set. 86

AMERICAN FUND FOR DENTAL HEALTH
American Fund for Dental Health accepting grant proposals. 127

AMERICAN SOCIETY FOR GERIATRIC DENTISTRY
The ASGD comes of age. Shay, K. 219

AMERICANS WITH DISABILITIES ACT
Justice Department issues guidance on Disabilities Act. 172

AMYOTROPHIC LATERAL SCLEROSIS
An intraoral prosthesis to control drooling in a patient with amyotrophic lateral sclerosis. Moulding, M.B. et al. 200

ANTIDEPRESSIVE AGENTS
Adverse Effects
Gingival effects of prescription medications among adult dental patients. McClain, D.L. et al. 15
Medications with dental significance: usage in a nursing home population. Baker, K.A. et al. 19

ANTIHYPERTENSIVE AGENTS
Adverse Effects
Gingival effects of prescription medications among adult dental patients. McClain, D.L. et al. 15
Medications with dental significance: usage in a nursing home population. Baker, K.A. et al. 19

ANTIPARKINSON AGENTS
Adverse Effects
Medications with dental significance: usage in a nursing home population. Baker, K.A. et al. 19

ARTHRITIS
Drug Therapy
Inexpensive pills may be arthritis elixir. 130

ATTITUDE OF HEALTH PERSONNEL
Common misconceptions about oral health in the older adult: nursing practices. Logan, H.L. et al. 243
Dentists' willingness to provide care for patients with developmental disabilities. Ferguson, F.S. et al. 234

AUDIOVISUAL AIDS
Communicating with adults with mental retardation through educational video. 48

AWARDS AND PRIZES
American Cancer Society clinical awards. 87
American Dental Association awards program. 48
American Fund for Dental Health accepting grant proposals. 127
Call for nominations for the Norton M. Ross Award for Excellence in Clinical Research. 220
Pew National Dental Leadership Fellows announced. 128

AWARENESS
A national survey of dentists' awareness of elder abuse and neglect. Holtzman, J.M. et al. 7

BACTERIAL TOXINS
Bacterial toxin destroys HIV-infected cells. 166

BIOCOMPATIBLE MATERIALS
Panel of experts says restoratives safe and effective. 171

BRONCHODILATOR AGENTS
Adverse Effects
Medications with dental significance: usage in a nursing home population. Baker, K.A. et al. 19

BURNING MOUTH SYNDROME
The cause and management of burning mouth condition. Basker, R.M. et al. 89 CANDIDA
Oral yeasts, mucosal health, and drug use in an elderly denture-wearing population. Kreher, J.M. et al. 222

CARPAL TUNNEL SYNDROME
Carpal tunnel syndrome. 130

CHEMOTHERAPY
Adverse Effects
Children face oral problems from cancer and its treatment. 168

CHLORHEXIDINE
Therapeutic Use
Effects of chlorhexidine spray on plaque and gingival health in institutionalized persons with mental retardation. Burtner, A.P. et al. 97
Effects of a 1% chlorhexidine gel on the cariogenic bacteria in high-risk elders: a pilot study. Clark, D.C. et al. 101

CLASSIFIED ADVERTISING. 32, 117, 164, 213, 257

CLINICAL DENTISTRY
NIDR sponsors first symposium for dental practitioners. 167

CLINICAL TRIALS
Clinical trials in special care populations: some methodological issues requiring attention with limited group sizes. Heifetz, S.B. 45

CLOMIPRAMINE
Adverse Effects
Dental management of the patient with obsessive-compulsive disorder. Friedlander, A.H. et al. 238

CLOZAPINE
Therapeutic Use
Oral health care for the patient with schizophrenia. Friedlander, A.H. et al. 179

COMMUNICABLE DISEASE CONTROL
Infection control file. 6
Pharmaceutical company grants boost AIDS education in oral health care. 6
Study details costs of hospital infection control. 6

CONFIDENTIALITY
ABA's AIDS model confidentiality policy. 128

CONSUMER PRODUCT SAFETY
FDA safety alert—serious problems with Proplast-coated TMJ implant. 48

COST CONTROL
Study details costs of hospital infection control. 6

CROSS INFECTION
Prevention & Control
Study details costs of hospital infection control. 6

DELIVERY OF HEALTH CARE
ADA rejects HIV testing bill. 126
Common misconceptions about oral health in the older adult: nursing practices. Logan, H.L. et al. 243
Dannemeyer introduces HIV testing legislation. 126
Defensive strategies for the institutional dentist. Burtner, A.P. 137
Dental management of the patient with obsessive-compulsive disorder. Friedlander, A.H. et al. 238
Dental school Special Patient Care Program during 1977-1979 and 1987-1989: comparisons of regional and state disabled populations. Jedrychowski, J.R. et al. 184
Dental service utilization of disabled children. Lo, G.L. et al. 194
$14.6 million available for VA fee-based care. 86
Health care received by American children: NCHS report. 127
Keeping up with long-term care needs of aging U.S. veterans focus of study. 170
Managed care grows 13% for Blues. 129
The nation's health care. McCarthy, C. 140
National Nutrition Screening Initiative (NSI). 221
Opposition mounts against CDC plan for 'exposure-prone' list. 220
Out-of-office dentistry: an alternative delivery system. Krust, K.S. et al. 189
Research review of oral health status and service use among institutionalized older adults in the United States and Canada. Berkey, D.B. et al. 131
The umbrella's spokes are broken and the safety net has holes. Kanar, H. 165

DENTAL CALCULUS
Prevention & Control
Evaluation of calculus accumulation in tube-fed, mentally handicapped patients: the effects of oral hygiene status. Dicks, J.L. et al. 104

DENTAL CARE
Common misconceptions about oral health in the older adult: nursing practices. Logan, H.L. et al. 243
Defensive strategies for the institutional dentist. Burtner, A.P. 137
Dental management of the patient with obsessive-compulsive disorder. Friedlander, A.H. et al. 238
Health care received by American children: NCHS report. 127
$14.6 million available for VA fee-based care. 86
Idiopathic myelofibrosis: dental treatment considerations. Steelman, R. et al. 68
Research review of oral health status and service use among institutionalized older adults in

the United States and Canada. Berkey, D.B. et al. 131

DENTAL CARE FOR HANDICAPPED
Compensation for treating special patients comes in unexpected forms. Mulligan, R. 5
Dental school Special Patient Care Program during 1977-1979 and 1987-1989: comparisons of regional and state disabled populations. Jedrychowski, J.R. et al. 184
Dental service utilization of disabled children. Lo, G.L. et al. 194
Dentists' willingness to provide care for patients with developmental disabilities. Ferguson, F.S. et al. 234
Effects of chlorhexidine spray on plaque and gingival health in institutionalized persons with mental retardation. Burtner, A.P. et al. 97
Evaluation of calculus accumulation in tube-fed, mentally handicapped patients: the effects of oral hygiene status. Dicks, J.L. et al. 104
4th Annual National Conference for Special Care Issues in Dentistry set for April 3-5, 1992. 220
Oral health care for the patient with schizophrenia. Friedlander, A.H. et al. 179
A toothbrushing aid for a quadriplegic patient. Spratley, M.H. 114
An undergraduate dental education program providing care for children with disabilities. Marinelli, R.D. et al. 110

DENTAL CARE FOR THE DEVELOPMENTALLY DISABLED PROGRAM
Dentists' willingness to provide care for patients with developmental disabilities. Ferguson, F.S. et al. 234

DENTAL CARIES
Epidemiology
Caries experience, periodontal treatment needs, salivary pH, and *Streptococcus mutans* counts in a preadolescent Down syndrome population. Stabholz, A. et al. 203
Caries levels, *Streptococcus mutans* counts, salivary pH, and periodontal treatment needs of adult Down syndrome patients. Shapira, J. et al. 248
Dental caries and periodontitis in persons with Down syndrome. Ulseth, J.O. et al. 71
Dental needs related to primary cause for institutionalization. Gordon, S.R. et al. 49

DENTAL CARIES
Prevention & Control
Effects of a 1% chlorhexidine gel on the cariogenic bacteria in high-risk elders: a pilot study. Clark, D.C. et al. 101

DENTAL CLINICS
Out-of-office dentistry: an alternative delivery system. Krust, K.S. et al. 189

DENTAL FEES
$14.6 million available for VA fee-based care. 86

DENTAL HEALTH SURVEYS
Oral health in the terminally ill: a cross-sectional pilot survey. Aldred, M.J. et al. 59

DENTAL IMPLANTATION
General practice residency education in implant dentistry. Simons, A.M. 55

DENTAL IMPLANTS
FDA safety alert—serious problems with Proplast-coated TMJ implant. 48
Interstitial radioactive implants for oral and oropharyngeal cancer: dentistry's role. Salisbury, P.L., III et al. 63

DENTAL PLAQUE
Prevention & Control
Effects of chlorhexidine spray on plaque and gingival health in institutionalized persons with mental retardation. Burtner, A.P. et al. 97

DENTAL PLAQUE INDEX
Gingival effects of prescription medications among adult dental patients. McClain, D.L. et al. 15

DENTIST-PATIENT RELATIONS
Compensation for treating special patients comes in unexpected forms. Mulligan, R. 5

DENTISTS
A comparison of medical histories reported by dental patients and their physicians. Levy, S.M. et al. 26
Data Bank gains security approval. 86
Dentists' willingness to provide care for patients with developmental disabilities. Ferguson, F.S. et al. 234
Federal pay bill affects VA dentists. 129

DENTURE, COMPLETE
Adverse Effects
Oral yeasts, mucosal health, and drug use in an elderly denture-wearing population. Kreher, J.M. et al. 222

DENTURE RETENTION
Common misconceptions about oral health in the older adult: nursing practices. Logan, H.L. et al. 243

DILTIAZEM
Adverse Effects
Gingival hyperplasia: a side effect of nifedipine and diltiazem. Fattore, L. et al. 107

DIPHTHERIA TOXIN
Bacterial toxin destroys HIV-infected cells. 166

DIURETICS
Adverse Effects
Gingival effects of prescription medications among adult dental patients. McClain, D.L. et al. 15
Medications with dental significance: usage in a nursing home population. Baker, K.A. et al. 19

DMF INDEX
Dental needs related to primary cause for institutionalization. Gordon, S.R. et al. 49

DOPAMINE
Adverse Effects
Oral health care for the patient with schizophrenia. Friedlander, A.H. et al. 179

DOWN SYNDROME
Caries experience, periodontal treatment needs, salivary pH, and *Streptococcus mutans* counts in a preadolescent Down syndrome population. Stabholz, A. et al. 203
Caries levels, *Streptococcus mutans* counts, salivary pH, and periodontal treatment needs of adult Down syndrome patients. Shapira, J. et al. 248
Complications
Dental caries and periodontitis in persons with Down syndrome. Ulseth, J.O. et al. 71

DRUG THERAPY
Adverse Effects
Medications with dental significance: usage in a nursing home population. Baker, K.A. et al. 19
Oral yeasts, mucosal health, and drug use in an elderly denture-wearing population. Kreher, J.M. et al. 222

EDITORIAL. 5, 45, 85, 125, 165, 219

EDUCATION, DENTAL
An undergraduate dental education program providing care for children with disabilities. Marinelli, R.D. et al. 110

EDUCATION, DENTAL, CONTINUING
An analysis of the supply of and demand for continuing education in geriatric dentistry. Kress, G. 151

EDUCATION, DENTAL, GRADUATE
General practice residency education in implant dentistry. Simons, A.M. 55

ELDER ABUSE
A national survey of dentists' awareness of elder abuse and neglect. Holtzman, J.M. et al. 7

ENTERAL FEEDING
Evaluation of calculus accumulation in tube-fed, mentally handicapped patients: the effects of oral hygiene status. Dicks, J.L. et al. 104

EPIDERMOLYSIS BULLOSA
Therapy
Combined medical-dental treatment of an epidermolysis bullosa patient. Camm, J.H. et al. 148

ERRATUM. 14, 67

ESTHETICS, DENTAL
Tax committee responds on "cosmetic surgery." 88

ETHICS
"Death with Dignity" law appears to be defeated. 220

FEDERATION OF SPECIAL CARE ORGANIZATIONS IN DENTISTRY
Honking cabs and negative people. Van Ostenberg, P. 125

FEES AND CHARGES
HHS issues Medicare national fee schedule. 129

GASTROINTESTINAL AGENTS
Adverse Effects
Medications with dental significance: usage in a nursing home population. Baker, K.A. et al. 19

GENES
Genetics
Gene defects offer clues to common diseases. 220
Physiology
Gene defects offer clues to common diseases. 220

GERIATRIC DENTISTRY
An analysis of the supply of and demand for continuing education in geriatric dentistry. Kress, G. 151
Italian Society for Geriatric Dentistry formed. 87

GINGIVAL HYPERPLASIA
Etiology
Gingival hyperplasia: a side effect of nifedipine and diltiazem. Fattore, L. et al. 107

GRATEFUL MED
Pilot study of Grateful Med demonstrates usefulness of software. 168

HANDICAPPED
Clinical trials in special care populations: some methodological issues requiring attention with limited group sizes. Heifetz, S.B. 45
Communicating with adults with mental retardation through educational video. 48
Dental needs related to primary cause for institutionalization. Gordon, S.R. et al. 49
New research center begun on disabilities. 169

HEALTH
NIH appoints director for women's health research. 221

HEALTH CARE COSTS
The nation's health care. McCarthy, C. 140
The umbrella's spokes are broken and the safety net has holes. Kanar, H. 165

HEALTH EDUCATION
Communicating with adults with mental retardation through educational video. 48
Pharmaceutical company grants boost AIDS education in oral health care. 6

HEALTH MAINTENANCE ORGANIZATIONS
Managed care grows 13% for Blues. 129

HEALTH PERSONNEL
States react to AIDS 'hysteria.' 166

HEALTH SERVICES ACCESSIBILITY
New tax credit gets green light. 6

HEALTH SERVICES RESEARCH
Clinical trials in special care populations: some methodological issues requiring attention with limited group sizes. Heifetz, S.B. 45

HISTAMINE HI RECEPTOR BLOCKADERS
Adverse Effects
Medications with dental significance: usage in a nursing home population. Baker, K.A. et al. 19

HIV
ABA's AIDS model confidentiality policy. 128
ADA rejects HIV testing bill. 126
AIDS definition should include women's symptoms. 128
(Letter) Salman, R.A. 211
Benefits sought for HIV-related disabilities. 129

Dannemeyer introduces HIV testing legislation. 126
Minimizing risk of infection using a carbon dioxide laser. Miller, C.S. et al. 155
Opposition mounts against CDC plan for 'exposure-prone' list. 220
States react to AIDS 'hysteria.' 166

HIV INFECTION
Pharmaceutical company grants boost AIDS education in oral health care. 6
Diagnosis
Detection of HIV-infected cells in saliva. 167
Therapy
Bacterial toxin destroys HIV-infected cells. 166

HORMONES
Adverse Effects
Gingival effects of prescription medications among adult dental patients. McClain, D.L. et al. 15

HOSPICES
Oral health in the terminally ill: a cross-sectional pilot survey. Aldred, M.J. et al. 59

HOSPITAL DENTISTRY
AAHD announces selection of Roerig Fellow in Hospital Dental Practice. 126

HOSPITALIZATION
Research review of oral health status and service use among institutionalized older adults in the United States and Canada. Berkey, D.B. et al. 131

HOSPITALS
Joint Commission accreditation survey process revisions planned. 86

HYPERSENSITIVITY
Allergic reactions to latex-containing medical devices. 169

IBUPROFEN
Therapeutic Use
Inexpensive pills may be arthritis elixir. 130

INCOME TAX
New tax credit gets green light. 6
Tax committee responds on "cosmetic surgery." 88

INFECTION CONTROL
MRSA: an important consideration for geriatric dentistry practitioners. Staat, R.H. et al. 197
Methods
(Letter) Salman, R.A. 211
Minimizing risk of infection using a carbon dioxide laser. Miller, C.S. et al. 155

INSTITUTIONAL PRACTICE
Defensive strategies for the institutional dentist. Burtner, A.P. 137

INSURANCE BENEFITS
Benefits sought for HIV-related disabilities. 129

INSURANCE, HEALTH
CNA offers HIV coverage. 221
Managed care grows 13% for Blues. 129
The nation's health care. McCarthy, C. 140

INTERNSHIP AND RESIDENCY
Clinical productivity indicators for a dental general practice residency program. Boston, D.W. 173
General practice residency education in implant dentistry. Simons, A.M. 55
I was initially intrigued. (Letter) Rothwell, B.R. 211
What's in a name? Hicks, J.L. 85

INTUBATION, INTRATRACHEAL
A tongue shield appliance: design, fabrication, and case report. Wood, A.J. 12

KAPOSI'S SARCOMA
Complications
Treatment modalities for intraoral Kaposi's sarcoma: report of case. Chockley, B. et al. 231
Therapy
Treatment modalities for intraoral Kaposi's sarcoma: report of case. Chockley, B. et al. 231

LASER SURGERY
(Letter) Salman, R.A. 211
Minimizing risk of infection using a carbon dioxide laser. Miller, C.S. et al. 155

LATEX
Adverse Effects
Allergic reactions to latex-containing medical devices. 169

LEADERSHIP
International dental leadership conference slated at ADA headquarters in 1992. 88

LEGISLATION. 76

LETTERS TO THE EDITOR. 211

LEUKEMIA
Complications
Children face oral problems from cancer and its treatment. 168

MASS SCREENING
Legislation & Jurisprudence
ADA rejects HIV testing bill. 126
Dannemeyer introduces HIV testing legislation. 126

MEDIA REVIEWS. 163

MEDICAID
Governors protest Medicaid lawsuits sweeping nation. 171
Legislation & Jurisprudence
ADA commends Medicaid proposals. 129

MEDICAL HISTORY TAKING
A comparison of medical histories reported by dental patients and their physicians. Levy, S.M. et al. 26

MEDICARE
HHS *issues* Medicare national fee schedule. 129

MEETINGS. 33, 74, 116, 162, 209, 256
4th Annual National Conference of Special Care Issues in Dentistry set for April 3-5, 1992. 220

METHICILLIN RESISTANCE
MRSA: an important consideration for geriatric dentistry practitioners. Staat, R.H. et al. 197

MOBILE HEALTH UNITS
Out-of-office dentistry: an alternative delivery system. Krust, K.S. et al. 189

MOLAR, THIRD
Is it wise to pull all those wisdom

teeth? Study says 'no way.' 128

MOUTH DISEASES
Diagnosis
Common misconceptions about oral health in the older adult: nursing practices. Logan, H.L. et al. 243
Therapy
Common misconceptions about oral health in the older adult: nursing practices. Logan, H.L. et al. 243

MOUTH, EDENTULOUS
Epidemiology
Dental caries and periodontitis in persons with Down syndrome. Ulseth, J.O. et al. 71

MOUTH MUCOSA
Oral yeasts, mucosal health, and drug use in an elderly denture-wearing population. Kreher, J.M. et al. 222

MOUTH NEOPLASMS
Therapy
Interstitial radioactive implants for oral and oropharyngeal cancer: dentistry's role. Salisbury, P.L., III et al. 63

MULTIPLE MYELOMA
Maxillofacial plasmacytoma resulting in intraoral hemorrhage in a patient with multiple myeloma. Sirois, D.A. et al. 158

MYELOFIBROSIS
Therapy
Idiopathic myelofibrosis: dental treatment considerations. Steelman, R. et al. 68

NATIONAL ALLIANCE FOR ORAL HEALTH (NAOH)
National Alliance for Oral Health formed to focus on high-risk patient groups. 47

NATIONAL INSTITUTES OF HEALTH (U.S.)
NIH appoints director for women's health research. 221

NATIONAL NUTRITION SCREENING INITIATIVE
National Nutrition Screening Initiative (NSI). 221

NATIONAL PRACTITIONER DATA BANK
Data Bank gains security approval. 86

NEOPLASMS
Diagnosis
Age discrimination seen in cancer diagnosis, treatment. 128
Therapy
Age discrimination seen in cancer diagnosis, treatment. 128

NIFEDIPINE
Adverse Effects
Gingival hyperplasia: a side effect of nifedipine and diltiazem. Fattore, L. et al. 107

NURSING HOMES
Dental needs related to primary cause for institutionalization. Gordon, S.R. et al. 49
Medications with dental significance: usage in a nursing home population. Baker, K.A. et al. 19
Out-of-office dentistry: an alternative delivery system. Krust, K.S. et al. 189
Research review of oral health status and service use among institutionalized older adults in the United States and Canada. Berkey, D.B. et al. 131

NUTRITION
Report from Nutrition Screening Initiative Conference. 127

NUTRITION ASSESSMENT
National Nutrition Screening Initiative (NSI). 221
Nutrition screening for older adults focus of upcoming consensus conference. 47

OBSESSIVE-COMPULSIVE DISORDERS
Complications
Dental management of the patient with obsessive-compulsive disorder. Friedlander, A.H. et al. 238

ORAL HEALTH
Common misconceptions about oral health in the older adult: nursing practices. Logan, H.L. et al. 243
Effects of chlorhexidine spray on plaque and gingival health in institutionalized persons with mental retardation. Burtner, A.P. et al. 97

ORAL HEALTH SURVEYS
Caries levels, *Streptococcus mutans* counts, salivary pH, and periodontal treatment needs of adult Down syndrome patients. Shapira, J. et al. 248
Children face oral problems from cancer and its treatment. 168
Oral health in the terminally ill: a cross-sectional pilot survey. Aldred, M.J. et al. 59
Research review of oral health status and service use among institutionalized older adults in the United States and Canada. Berkey, D.B. et al. 131

ORAL HEMORRHAGE
Etiology
Maxillofacial plasmacytoma resulting in intraoral hemorrhage in a patient with multiple myeloma. Sirois, D.A. et al. 158

ORAL HYGIENE
Evaluation of calculus accumulation in tube-fed, mentally handicapped patients: the effects of oral hygiene status. Dicks, J.L. et al. 104
A toothbrushing aid for a quadriplegic patient. Spratley, M.H. 114

ORAL HYGIENE INDEX
Dental needs related to primary cause for institutionalization. Gordon, S.R. et al. 49

ORAL MANIFESTATIONS
National Alliance for Oral Health formed to focus on high-risk patient groups. 47

OROPHARYNGEAL NEOPLASMS
Therapy
Interstitial radioactive implants for oral and oropharyngeal cancer: dentistry's role. Salisbury, P.L., III, et al. 63

PARASYMPATHOLYTICS
Adverse Effects
Medications with dental significance: usage in a nursing home

population. Baker, K.A. et al. 19

PATIENTS
A comparison of medical histories reported by dental patients and their physicians. Levy, S.M. et al. 26

PEMPHIGOID, BENIGN MUCOUS MEMBRANE
Mucous membrane pemphigoid: a disease of the elderly. Antonelli, J.R. et al. 143

PERIODONTAL DISEASES
Epidemiology
Caries experience, periodontal treatment needs, salivary pH, and *Streptococcus mutans* counts in a preadolescent Down syndrome population. Stabholz, A. et al. 203
Caries levels, *Streptococcus mutans* counts, salivary pH, and periodontal treatment needs of adult Down syndrome patients. Shapira, J. et al. 248

PERIODONTAL INDEX
Gingival effects of prescription medications among adult dental patients. McClain, D.L. et al. 15

PERIODONTITIS
Epidemiology
Dental caries and periodontitis in persons with Down syndrome. Ulseth, J.O. et al. 71

PHENOTHIAZINES
Therapeutic Use
Oral health care for the patient with schizophrenia. Friedlander, A.H. et al. 179

PHYSICIANS
A comparison of medical histories reported by dental patients and their physicians. Levy, S.M. et al. 26

PLASMACYTOMA
Maxillofacial plasmacytoma resulting in intraoral hemorrhage in a patient with multiple myeloma. Sirois, D.A. et al. 158

POLYCYTHEMIA VERA
Polycythemia vera: dental management considerations. Badner, V.M. et al. 227

PREFERRED PROVIDER ORGANIZATIONS
Managed care grows 13% for Blues. 129

PRODUCTIVITY
Clinical productivity indicators for a dental general practice residency program. Boston, D.W. 173

RADIATION EFFECTS
Radiation-induced salivary dysfunction: clinical course and significance. Valdez, I.H. 252

RADIATION INJURIES
Radiation-induced salivary dysfunction; clinical course and significance. Valdez, I.H. 252

RADIOTHERAPY
Interstitial radioactive implants for oral and oropharyngeal cancer: dentistry's role. Salisbury, P.L., III et al. 63

REFUSE DISPOSAL
Federal hazardous waste law plagued by ambiguities. 87

RESEARCH
New research center begun on disabilities. 169
NIDR sponsors first symposium for dental practitioners. 167

RESEARCH DESIGN
Clinical trials in special care populations: some methodological issues requiring attention with limited group sizes. Heifetz, S.B. 45

RISK FACTORS
ADA rejects HIV testing bill. 126
Dannemeyer introduces HIV testing legislation. 126
Effects of a 1% chlorhexidine gel on the cariogenic bacteria in high-risk elders: a pilot study. Clark, D.C. et al. 101
National Alliance for Oral Health formed to focus on high-risk patient groups. 47
Nutrition screening for older adults focus of upcoming consensus conference. 47
Opposition mounts against CDC plan for 'exposure-prone' list. 220

RUBBER
Adverse Effects
Allergic reactions to latex-containing medical devices. 169

SALARIES AND FRINGE BENEFITS
Federal pay bill affects VA dentists. 129

SALIVA
Analysis
Caries experience, periodontal treatment needs, salivary pH, and *Streptococcus mutans* counts in a preadolescent Down syndrome population. Stabholz, A. et al. 203
Caries levels, *Streptococcus mutans* counts, salivary pH, and periodontal treatment needs of adult Down syndrome patients. Shapira, J. et al. 248
Detection of HIV-infected cells in saliva. 167
Physiology
Oral yeasts, mucosal health, and drug use in an elderly denture-wearing population. Kreher, J.M. et al. 222

SALIVARY GLAND DISEASES
Radiation-induced salivary dysfunction: clinical course and significance. Valdez, I.H. 252

SALIVATION
Oral yeasts, mucosal health, and drug use in an elderly denture-wearing population. Kreher, J.M. et al. 222

SCHIZOPHRENIA
Oral health care for the patient with schizophrenia. Friedlander, A.H. et al. 179

SIALORRHEA
Prevention & Control
An intraoral prosthesis to control drooling in a patient with amyotrophic lateral sclerosis. Moulding, M.B. et al. 200

SPECIAL CARE IN DENTISTRY
Information for Authors. IBC (May-June), IFC (July-August), IBC (September-October)

STAPHYLOCOCCUS AUREUS
MRSA: an important consideration

for geriatric dentistry practitioners. Staat, R.H. et al. 197

STOMATITIS, DENTURE
Oral yeasts, mucosal health, and drug use in an elderly denture-wearing population. Kreher, J.M. et al. 222

STREPTOCOCCUS MUTANS
Caries experience, periodontal treatment needs, salivary pH, and *Streptococcus mutans* counts in a preadolescent Down syndrome population. Stabholz, A. et al. 203
Caries levels, *Streptococcus mutans* counts, salivary pH, and periodontal treatment needs of adult Down syndrome patients. Shapira, J. et al. 248

TERMINAL CARE
"Death with Dignity" law appears to be defeated. 220

TONGUE
A tongue shield appliance: design, fabrication, and case report. Wood, A.J. 12

TOOTH EXTRACTION
Is it wise to pull all those wisdom teeth? Study says 'no way.' 128

TOOTHBRUSHING
Instrumentation
A toothbrushing aid for a quadriplegic patient. Spratley, M.H. 114

TRANQUILIZING AGENTS, MAJOR
Adverse Effects
Medications with dental significance: usage in a nursing home population. Baker, K.A. et al. 19

U.S. DEPARTMENT OF HEALTH AND HUMAN SERVICES
House approves HHS health spending bill. 126

U.S. DEPARTMENT OF VETERANS AFFAIRS
Federal pay bill affects VA dentists. 129

U.S. NATIONAL CENTER FOR MEDICAL REHABILITATION RESEARCH
New research center begun on disabilities. 169

U.S. VETERANS ADMINISTRATION
$14.6 million available for VA fee-based care. 86

VETERANS
Keeping up with long-term care needs of aging U.S. veterans focus of study. 170

WOMEN
Age discrimination seen in cancer diagnosis, treatment. 128
NIH appoints director for women's health research. 221

XEROSTOMIA
Etiology
Dental management of the patient with obsessive-compulsive disorder. Friedlander, A.H. et al. 238

YEASTS
Oral yeasts, mucosal health, and drug use in an elderly denture-wearing population. Kreher, J.M. et al. 222
